Statement by Harold Mitchell AC

I have advised Free TV this morning that I intend to resign from my position as chairman immediately.

It is with regret that I have been forced to make this decision following the false accusations by the Australian Securities and Investment Commission, which I intend to vigorously defend.

I am proud of my achievements in my five years with Free TV when we achieved a repeal of the media ownership laws, the scrapping of commercial television licence fees and maintenance of the anti-siphoning list.

I wish Free TV and its members all the best in the future.
