**WIN Network rejoins FreeTV**

FreeTV today announced that the WIN Network would be rejoining FreeTV Australia as a member, effective from 9 March 2018.

FreeTV Chairman Harold Mitchell commented:

“I am delighted that WIN has decided to rejoin FreeTV. This means FreeTV once again represents 100% of commercial television broadcasters. We know we are much stronger together and with WIN back in the fold, FreeTV will continue to drive the important outcomes to ensure a strong future for us all.”

FreeTV CEO Bridget Fair said “I am looking forward to working with Andrew Lancaster and his team as we continue to represent Australian commercial television which has a unique and important place in both regional and metropolitan communities.”

WIN Network Andrew Lancaster said “We are very pleased to be back as a member of FreeTV. Commercial free-to-air television broadcasters are facing more challenges than ever before and it is important that we work together to ensure that all Australians continue to enjoy the free television services they rely on and value.”
