JULIE FLYNN WELCOMES “THE MOSS REPORT”

The CEO of Free TV, Julie Flynn, has welcomed the Independent Audit of Free Speech “The Moss Report” by Irene Moss AO.

“Irene and her team have for the first time provided a clear picture of the state of free speech and Australian’s right to know” Ms Flynn said.

“The Moss Report is a real resource for anyone concerned about these issues. It provides a starting point for a proper public debate between citizens, governments (at every level) and the media to ensure that free speech and media freedom are being whittled away through a set of official and unofficial practices”.
